I apologize for calling you Jeff earlier, I had a coworker named Jeff Crowley that used to work with us and my mind slipped.

Thanks for the info.

Jaime:

I spoke with Rocky Marquez, Water Dept Foreman, regarding this issue. There is currently a water service line break in the 4900 block of Larkspur. No service work has been initiated yet.

Jeff,

Is your department doing any work in the West Calumet complex requiring water shut-off?

Jaime Brown

Jaime:

Can you please check with the City water department to see if they are doing any work in the 4700 block of Larkspur? Our crews are reporting water shutoffs in this block.

Thanks,
Kathy
